| Artikelname              | Pan Phospho-Serine/Threonine Rabbit pAb                                                                                                                                          |
| Artikelnummer            | ABB-AP0893                                                                                                                                                                       |
| Hersteller Artikelnummer | AP0893                                                                                                                                                                           |
| Alternativnummer         | ABB-AP0893-100UL, ABB-AP0893-20UL                                                                                                                                                |
| Hersteller               | ABclonal                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                       |
| Applikation              | ELISA, WB                                                                                                                                                                        |
| Immunogen                | Synthetic peptide. This information is considered to be commercially sensitive.                                                                                                  |
| Reinheit                 | Affinity purification                                                                                                                                                            |
| Application Verdünnung   | WB, 1:500 - 1:1000   ELISA, Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements.                          |
| Anwendungsbeschreibung   | Cross-Reactivity: Human, Mouse, Rat, Other (Wide Range Predicted).<br>ResearchArea: Protein phosphorylation, Protein phosphorylation, Protein phosphorylation. Shipping: Ice Bag |
