## Product Datasheet

### Phospho-MAP3K5-S967 Rabbit pAb, Unconjugated ABB-AP1217

|                          |                                                                                                                                                         |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Phospho-MAP3K5-S967 Rabbit pAb, Unconjugated                                                                                                            |
| Artikelnummer            | ABB-AP1217                                                                                                                                              |
| Hersteller Artikelnummer | AP1217                                                                                                                                                  |
| Alternativnummer         | ABB-AP1217-20UL, ABB-AP1217-100UL                                                                                                                       |
| Hersteller               | ABclonal                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                              |
| Applikation              | ELISA, WB                                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                                   |
| Immunogen                | Synthetic peptide. This information is considered to be commercially sensitive.                                                                         |
| Konjugation              | Unconjugated                                                                                                                                            |
| Molekulargewicht         | 155kDa                                                                                                                                                  |
| NCBI                     | <a href="#">4217</a>                                                                                                                                    |
| UniProt                  | <a href="#">Q99683</a>                                                                                                                                  |
| Reinheit                 | Affinity purification                                                                                                                                   |
| Application Verdünnung   | WB, 1:500 - 1:1000   ELISA, Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |

|                        |                                                                                                                                                                                                                                                                                                                                                                                                       |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Cross-Reactivity: Human. ResearchArea: Protein phosphorylation,Signal Transduction,Kinase,Serine threonine kinases,MAPK-JNK Signaling Pathway,Cell Biology Developmental Biology,Apoptosis,Cytoskeleton,Actins,Death Receptor Signaling Pathway,Immunology Inflammation,B Cell Receptor Signaling Pathway,Neuroscience,Neurodegenerative Diseases,Cardiovascular,Heart,Hypertrophy. Shipping: Ice Bag |
