| Artikelname              | Phospho-Zap70-Y319+Syk-Y352 Rabbit pAb, Unconjugated                                                                                                                    |
| Artikelnummer            | ABB-AP1497                                                                                                                                                              |
| Hersteller Artikelnummer | AP1497                                                                                                                                                                  |
| Alternativnummer         | ABB-AP1497-20UL, ABB-AP1497-100UL                                                                                                                                       |
| Hersteller               | ABclonal                                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                              |
| Applikation              | ELISA, IF, WB                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                   |
| Immunogen                | Synthetic peptide. This information is considered to be commercially sensitive.                                                                                         |
| Konjugation              | Unconjugated                                                                                                                                                            |
| Molekulargewicht         | 70kDa                                                                                                                                                                   |
| NCBI                     | <a href="#">7535</a>                                                                                                                                                    |
| UniProt                  | <a href="#">P43403</a>                                                                                                                                                  |
| Reinheit                 | Affinity purification                                                                                                                                                   |
| Application Verdünnung   | WB,1:500 - 1:1000 IF/ICC,1:50 - 1:200 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |

|                        |                                                                                                                                                                                                                            |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Cross-Reactivity: Mouse. ResearchArea: Protein phosphorylation,Signal Transduction,Kinase,Tyrosine kinases,Cell Biology Developmental Biology,Immunology Inflammation,T Cell Receptor Signaling Pathway. Shipping: Ice Bag |
