| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, ELISpot                                                                                                                                                                                                                                                |
| Spezies Reaktivität      | Rat                                                                                                                                                                                                                                                           |
| Konjugation              | Biotin                                                                                                                                                                                                                                                        |
| Produktbeschreibung      | Monoclonal antibody specific for IgG2a, This monoclonal antibody enables sensitive and specific detection of rat IgG2a in e.g. ELISA and ELISpot., The antibody is specific for rat IgG2a. There is no cross-reactivity (<0.1%) with rat IgG1, IgG2b, IgG2... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [MT168B1]                                                                                                                                                                                                                                                     |
| Isotyp                   | IgG1                                                                                                                                                                                                                                                          |
| NCBI                     | <a href="#">367586</a>                                                                                                                                                                                                                                        |
| Target-Kategorie         | IgG2a                                                                                                                                                                                                                                                         |

|                        |                                                                                                                                                                                                                                                                                                                    |
