| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | WB                                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | A. thaliana                                                                                                                                                                                                                                                  |
| Immunogen                | Recombinant, RAF2 protein chosen from Arabidopsis thaliana protein sequence, UniProt:Q9LU63, TAIR: AT5G51110                                                                                                                                                 |
| Produktbeschreibung      | RAF2 (Rubisco accumulation factor 2) is a member of PCD family and a chloroplastic protein which contains pterin carbinolamine dehydratase domain. Protein is involved in tetrahydrobiopterin biosynthetic process. Alternative names: AT5g51110/MWD22_5,... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Molekulargewicht         | 18   17 kDa                                                                                                                                                                                                                                                  |
| NCBI                     | <a href="#">835185</a>                                                                                                                                                                                                                                       |
| UniProt                  | <a href="#">Q9LU63</a>                                                                                                                                                                                                                                       |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Serum                                         |
| Formulierung           | Lyophilized                                   |
| Antibody Type          | Polyclonal Antibody                           |
| Application Verdünnung | 1 : 1000 (WB)                                 |
| Anwendungsbeschreibung | For reconstitution add 50 µl of sterile water |
