| Hersteller Artikelnummer | AS14-2829                                                                                                                                                                                                                                                                  |
| Alternativnummer         | AGR-AS14-2829                                                                                                                                                                                                                                                              |
| Hersteller               | Agrisera                                                                                                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                                 |
| Applikation              | WB                                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | A. thaliana, Plant                                                                                                                                                                                                                                                         |
| Immunogen                | His-tagged full length recombinant UAGPase of Arabidopsis thaliana, overexpressed and purified from E.coli, UniProt:O64765,, TAIR:AT2G35020. Sequence used for immunization is conserved in both isoforms: UDP-N-acetylglucosamine diphosphorylase 1 (Q940S3) and (O64765) |
| Produktbeschreibung      | UAGPase (UDP-GlcNAc pyrophosphorylase) is involved in the biosynthesis of UDP-glucosamine, an essential precursor for glycoprotein and glycolipid synthesis and is also used for regulatory protein modification in signaling pathways. The enzyme is loca...              |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                                 |
| Molekulargewicht         | 55.76 kDa                                                                                                                                                                                                                                                                  |
| NCBI                     | <a href="#">818066</a>                                                                                                                                                                                                                                                     |

|                        |                                                               |
|------------------------|---------------------------------------------------------------|
| UniProt                | <a href="#">O64765</a>                                        |
| Reinheit               | Serum                                                         |
| Formulierung           | Lyophilized                                                   |
| Antibody Type          | Polyclonal Antibody                                           |
| Application Verdünnung | 1 : 10 000 (WB)                                               |
| Anwendungsbeschreibung | This antibody is recognizing recombinant UAGPase at 0,25 pmol |
