## Product Datasheet

### Anti-SOBIR1 | Suppressor of BIR1 (rabbit antibody), Rabbit, Polyclonal AGR-AS16-3204

|                          |                                                                                                                                                                                                                 |

| Artikelname              | Anti-SOBIR1   Suppressor of BIR1 (rabbit antibody), Rabbit, Polyclonal                                                                                                                                          |
| Artikelnummer            | AGR-AS16-3204                                                                                                                                                                                                   |
| Hersteller Artikelnummer | AS16-3204                                                                                                                                                                                                       |
| Alternativnummer         | AGR-AS16-3204                                                                                                                                                                                                   |
| Hersteller               | Agrisera                                                                                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                                                                      |
| Applikation              | WB                                                                                                                                                                                                              |
| Spezies Reaktivität      | A. thaliana, Plant                                                                                                                                                                                              |
| Immunogen                | KLH-conjugated peptide, chosen from Arabidopsis thaliana SOBIR1 sequence, UniProt: Q9SKB2, TAIR:At2g31880                                                                                                       |
| Produktbeschreibung      | SOBIR1 is a kinase with dual specificity acting on both serine/threonine and tyrosine-containing substrates. It is involved in the activation of plant defense and cell death. It also regulates abscission.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                      |
| Molekulargewicht         | 71 kDa                                                                                                                                                                                                          |
| NCBI                     | <a href="#">817746</a>                                                                                                                                                                                          |
| UniProt                  | <a href="#">Q9SKB2</a>                                                                                                                                                                                          |

|                        |                                                                     |
|------------------------|---------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified serum in PBS pH 7.4.                    |
| Formulierung           | Lyophilized                                                         |
| Antibody Type          | Polyclonal Antibody                                                 |
| Application Verdünnung | 1: 1000 (WB)                                                        |
| Anwendungsbeschreibung | The antibody is recognizing recombinant AtSOBIR1 in fusion with GFP |
