| Alternativnummer         | AGR-AS16-3468                                                                                                                                                                                                                                           |
| Hersteller               | Agrisera                                                                                                                                                                                                                                                |
| Wirt                     | Goat                                                                                                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                                                                                              |
| Applikation              | FC, IL                                                                                                                                                                                                                                                  |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                   |
| Immunogen                | Purified Mouse IgG, whole molecule                                                                                                                                                                                                                      |
| Konjugation              | tritic                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Goat anti-Mouse IgG (H&L), F(ab)2 fragment, TRITC conjugated, min. cross-reactivity to bovine, goat, human, rabbit, or rat IgG is a secondary antibody conjugated to TRITC, which binds to mouse IgG (H&L), F(ab)2 Fragment in immunological assays.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                              |
| Reinheit                 | Immunogen affinity purified goat IgG.                                                                                                                                                                                                                   |
| Formulierung             | Lyophilized                                                                                                                                                                                                                                             |

|                        |                                                                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Antibody Type          | Polyclonal Antibody                                                                                                                            |
| Application Verdünnung | 1 : 20-1 : 2000 (Flow cyt), (IL)                                                                                                               |
| Anwendungsbeschreibung | For reconstitution add 0,55 ml of sterile water,Let it stand 30 minutes at room temperature to dissolve, Prepare fresh working dilutions daily |
