| Kategorie                | Antikörper                                                                                                                                                                                                                       |
| Applikation              | WB                                                                                                                                                                                                                               |
| Immunogen                | KLH-conjugated DYKDDDDK (FLAG) synthetic peptide.                                                                                                                                                                                |
| Konjugation              | alp                                                                                                                                                                                                                              |
| Produktbeschreibung      | FLAG is a tag that can be added to a protein sequence. It can be used for affinity chromatography, to separate recombinant protein from wt proteins. It can also be used to isolate protein complexes with multiple subunits.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                       |
| Reinheit                 | Immunogen affinity purified in PBS pH 7.4, 50% glycerol, 0.09% sodium azide.                                                                                                                                                     |
| Formulierung             | Liquid                                                                                                                                                                                                                           |

|                        |                                |
|------------------------|--------------------------------|
| Antibody Type          | Polyclonal Antibody            |
| Application Verdünnung | 1: 100 (WB)                    |
| Anwendungsbeschreibung | For in vitro research use only |
