## Product Datasheet

### Human EPO-beta Recombinant Protein MBL-JM-4766

|                         |                                                              |
|-------------------------|--------------------------------------------------------------|
| Article Name            | Human EPO-beta Recombinant Protein                           |
| Biozol Catalog Number   | MBL-JM-4766                                                  |
| Supplier Catalog Number | JM-4766-500                                                  |
| Manufacturer            | MBL                                                          |
| Category                | Proteine/Peptide                                             |
| Species Reactivity      | Human                                                        |
| Molecular Weight        | 30.4 kDa                                                     |
| Purity                  | >=99%                                                        |
| Storage                 | -80°C                                                        |
| Target                  | EPO-beta                                                     |
| Notes                   | For Research Use Only. Not for use in diagnostic procedures. |
