## Product Datasheet

### **Anti-Atg13 mAb for My select sampler set, IgG2akappa, Clone: 5G4, Unlabeled, Mouse, Monoclonal MBL-M183-3MS**

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Atg13 mAb for My select sampler set, IgG2akappa, Clone: 5G4, Unlabeled, Mouse, Monoclonal |
| Biozol Catalog Number      | MBL-M183-3MS                                                                                   |
| Supplier Catalog Number    | M183-3MS                                                                                       |
| Alternative Catalog Number | MBL-M183-3MS                                                                                   |
| Manufacturer               | MBL                                                                                            |
| Host                       | Mouse                                                                                          |
| Category                   | Antikörper                                                                                     |
| Species Reactivity         | Rat, Mouse, Human, Hamster                                                                     |
| Conjugation                | Unlabeled                                                                                      |
| Clonality                  | Monoclonal                                                                                     |
| Clone Designation          | 5G4                                                                                            |
| Isotype                    | IgG2akappa                                                                                     |
| NCBI                       | <a href="#">9776</a>                                                                           |
| Form                       | 1 mg/mL in PBS/50% glycerol, pH 7.2                                                            |
| Storage                    | -20°C                                                                                          |
| Formula                    | 1 mg/mL in PBS/50% glycerol, pH 7.2                                                            |
| Notes                      | For Research Use Only. Not for use in diagnostic procedures.                                   |

|                    |                                                                             |
|--------------------|-----------------------------------------------------------------------------|
| Application Dilute | IP: 2 ug/300 uL of cell extract from 3 x 10 <sup>6</sup> cells, WB: 1 ug/mL |
