## Product Datasheet

### Anti-Mouse Kappa lighth chain (Unconjugated), IgG2a kappa, Clone: LO-MK-1 SYN-LO-MK-1-P-100

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | Anti-Mouse Kappa lighth chain (Unconjugated), IgG2a kappa, Clone: LO-MK-1 |
| Biozol Catalog Number      | SYN-LO-MK-1-P-100                                                         |
| Supplier Catalog Number    | LO-MK-1-P-100                                                             |
| Alternative Catalog Number | SYN-LO-MK-1-P-100                                                         |
| Manufacturer               | Synabs                                                                    |
| Category                   | Antikörper                                                                |
| Application                | ELISA, IA, IAC, IHC                                                       |
| Species Reactivity         | Rat                                                                       |
| Concentration              | 1mg/mL                                                                    |
| Clone Designation          | LO-MK-1                                                                   |
| Isotype                    | IgG2a kappa                                                               |
| UniProt                    | <a href="#">P01837</a>                                                    |
| Buffer                     | PBS/0,1%NaN3                                                              |
| Purity                     | Immunoaffinity chromatography (Purification on Mouse anti-Rat column)     |
| Target                     | Mouse Kappa lighth chain                                                  |
