## Product Datasheet

### **7-component IC Anion Standard Mix 1 Two solutions (A & B) at 100 µg/mL Each solution 250 mL Contains: HPS-IC-1-250**

|                            |                                                                                                                                                                                                                                                                                                      |

| Category                   | Biochemikalien                                                                                                                                                                                                                                                                                       |
| Product Description        | Multicomponent IC Std 1 Sol A & B in H <sub>2</sub> O, Solution A: Bromide, Chloride, Fluoride, Nitrate, Phosphate, Sulfate/Sulphate in H <sub>2</sub> O. Solution B: Nitrite in H <sub>2</sub> O. 12 months expiry date. Traceable to NIST SRM 31XX series. ISO 9001:2015 certified, ISO/IEC 170... |
