### ATP citrate synthase Regulatory Subunit Blocking Peptide FBX-P-ATPCL-112

|                            |                                                                                                                             |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Article Name               | ATP citrate synthase Regulatory Subunit Blocking Peptide                                                                    |
| Biozol Catalog Number      | FBX-P-ATPCL-112                                                                                                             |
| Supplier Catalog Number    | P-ATPCL-112                                                                                                                 |
| Alternative Catalog Number | FBX-P-ATPCL-112-250                                                                                                         |
| Manufacturer               | FabGennix                                                                                                                   |
| Category                   | Biochemikalien                                                                                                              |
| Application                | Immunocompetition, Immunodepletion                                                                                          |
| Immunogen                  | Synthetic peptide corresponding to amino acids within region 150-200 on yeast ATP Citrate Lyase regulatory subunit protein. |
| UniProt                    | <a href="#">Q6C7Y1</a>                                                                                                      |
| Target                     | ATP citrate synthase Regulatory Subunit                                                                                     |
