| Article Name               | Chicken anti-Rabbit IgG (H&L) - Affinity Pure, TRITC Conjugate, Gallus                   |
| Biozol Catalog Number      | IMU-CKXRB-003-DRHOX                                                                      |
| Supplier Catalog Number    | CkxRb-003-DRHOX                                                                          |
| Alternative Catalog Number | IMU-CKXRB-003-DRHOX                                                                      |
| Manufacturer               | ImmunoReagents                                                                           |
| Host                       | Gallus                                                                                   |
| Category                   | Antikörper                                                                               |
| Species Reactivity         | Rabbit                                                                                   |
| Immunogen                  | Purified Rabbit IgG, whole molecule                                                      |
| Conjugation                | TRITC                                                                                    |
| Format                     | IgY                                                                                      |
| Target Specificity         | IgG (H+L)                                                                                |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                                                      |
| Concentration              | 1.0 mg/ml (E 1% at 280 nm = 13.2)                                                        |
| Buffer                     | 10 mM Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2, 1 % (w/v) BSA, Protease/IgG free |
| Purity                     | Affinity purified antibody is > 95% based on SDS-PAGE                                    |
| Form                       | Lyophilized                                                                              |
| Antibody Type              | Secondary Antibody                                                                       |
