## Product Datasheet

### Goat anti-Rabbit IgG (H&L) - Affinity Pure, HRP Conjugate IMU-GTXRB-003-DHRPX

|                            |                                                           |
|----------------------------|-----------------------------------------------------------|
| Article Name               | Goat anti-Rabbit IgG (H&L) - Affinity Pure, HRP Conjugate |
| Biozol Catalog Number      | IMU-GTXRB-003-DHRPX                                       |
| Supplier Catalog Number    | GtxRb-003-DHRPX                                           |
| Alternative Catalog Number | IMU-GTXRB-003-DHRPX                                       |
| Manufacturer               | ImmunoReagents                                            |
| Host                       | Goat                                                      |
| Category                   | Antikörper                                                |
| Species Reactivity         | Rabbit                                                    |
| Immunogen                  | Purified Rabbit IgG, whole molecule                       |
| Conjugation                | HRP                                                       |
| Format                     | IgG                                                       |
| Target Specificity         | IgG (H+L)                                                 |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                       |
| Concentration              | 1.0 mg/ml (E 1% at 280 nm = 13.0)                         |
| Buffer                     | PBS, 1% BSA & 0.1% proclin 150                            |
| Purity                     | Affinity purified antibody is > 95% based on SDS-PAGE     |
| Form                       | Lyophilized                                               |
| Antibody Type              | Secondary Antibody                                        |
