| Article Name               | Goat anti-Rabbit IgG Fc - Affinity Pure, Biotin Conjugate, min x/bovine horse or human serum proteins |
| Biozol Catalog Number      | IMU-GTXRB-004-EBIO                                                                                    |
| Supplier Catalog Number    | GtxRb-004-EBIO                                                                                        |
| Alternative Catalog Number | IMU-GTXRB-004-EBIO                                                                                    |
| Manufacturer               | ImmunoReagents                                                                                        |
| Host                       | Goat                                                                                                  |
| Category                   | Antikörper                                                                                            |
| Species Reactivity         | Rabbit                                                                                                |
| Immunogen                  | Purified Rabbit IgG Fc                                                                                |
| Conjugation                | Biotin                                                                                                |
| Format                     | IgG                                                                                                   |
| Target Specificity         | IgG (Fc)                                                                                              |
| Cross-Adsorption (MinX)    | Bovine,Equine,Human                                                                                   |
| Concentration              | 1.50 mg/ml (E 1% at 280 nm = 13.0)                                                                    |
| Buffer                     | 10 mM Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2, 1 % (w/v) BSA, Protease/IgG free              |
| Purity                     | Affinity purified antibody is > 95% based on SDS-PAGE                                                 |

|               |                         |
|---------------|-------------------------|
| Form          | Clear, colorless liquid |
| Antibody Type | Secondary Antibody      |
