## Product Datasheet

### Human IgA-Purified from Normal Human Plasma, Unconjugated IMU-HU-001-M

|                            |                                                           |
|----------------------------|-----------------------------------------------------------|
| Article Name               | Human IgA-Purified from Normal Human Plasma, Unconjugated |
| Biozol Catalog Number      | IMU-HU-001-M                                              |
| Supplier Catalog Number    | Hu-001-M                                                  |
| Alternative Catalog Number | IMU-HU-001-M                                              |
| Manufacturer               | ImmunoReagents                                            |
| Host                       | Human                                                     |
| Category                   | Zellen/Zellkultur                                         |
| Conjugation                | Unconjugated                                              |
| Concentration              | > 1.0 mg/ml (E 1% at 280 nm = 13.0)                       |
| NCBI                       | <a href="#">10821</a>                                     |
| UniProt                    | CAA10821                                                  |
| Buffer                     | 100 mM Tris-HCl, pH 8.0, 100 mM NaCl                      |
| Purity                     | > 95% based on SDS-PAGE                                   |
| Form                       | Clear, colorless liquid, 0.2 µm filtered                  |
