## Product Datasheet

### Rabbit anti-Hamster IgG (H&L) - Affinity Pure, HRP Conjugate IMU-RBXHA-003-DHRPX

|                            |                                                              |
|----------------------------|--------------------------------------------------------------|
| Article Name               | Rabbit anti-Hamster IgG (H&L) - Affinity Pure, HRP Conjugate |
| Biozol Catalog Number      | IMU-RBXHA-003-DHRPX                                          |
| Supplier Catalog Number    | RbxHa-003-DHRPX                                              |
| Alternative Catalog Number | IMU-RBXHA-003-DHRPX                                          |
| Manufacturer               | ImmunoReagents                                               |
| Host                       | Rabbit                                                       |
| Category                   | Antikörper                                                   |
| Species Reactivity         | Hamster                                                      |
| Immunogen                  | Purified Hamster IgG, whole molecule                         |
| Conjugation                | HRP                                                          |
| Format                     | IgG                                                          |
| Target Specificity         | IgG (H+L)                                                    |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                          |
| Concentration              | 1.0 mg/ml (E 1% at 280 nm = 13.0)                            |
| Buffer                     | PBS, 1% BSA & 0.1% proclin 150                               |
| Purity                     | Affinity purified antibody is > 95% based on SDS-PAGE        |
| Form                       | Lyophilized                                                  |
| Antibody Type              | Secondary Antibody                                           |
