| Article Name               | Glutathione Detection Assay (Fluorometric) X5                                    |
| Biozol Catalog Number      | ZLB-ZX-33100-480                                                                 |
| Supplier Catalog Number    | ZX-33100-480                                                                     |
| Alternative Catalog Number | ZLB-ZX-33100-480                                                                 |
| Manufacturer               | ZellBio                                                                          |
| Category                   | Kits/Assays                                                                      |
| Species Reactivity         | All                                                                              |
| Range                      | 0.038 -25 µM in the Free GSH & 0.042 -25 µM in the Total GSH                     |
| Sensitivity                | 45 nM for Free GSH & 48 nM for Total GSH                                         |
| Samples                    | Whole Blood, Serum, Plasma, Erythrocytes, Urine, Cell Lysates and Tissue Samples |
