## Product Datasheet

### Asialo-GM2, CAS [[35960-33-9]] ENZ-ALX-302-015-MC01

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | Asialo-GM2, CAS [[35960-33-9]]                                            |
| Biozol Catalog Number      | ENZ-ALX-302-015-MC01                                                      |
| Supplier Catalog Number    | ALX-302-015-MC01                                                          |
| Alternative Catalog Number | ENZ-ALX-302-015-MC01-0.1                                                  |
| Manufacturer               | Enzo Life Sciences                                                        |
| Category                   | Biochemikalien                                                            |
| Product Description        | A major neural ganglioside in Tay Sachs and Sandhoff diseases....         |
| Molecular Weight           | 1093.4 (calculated on sphingosine C18:1 and stearic acid)                 |
| Source                     | Semisynthetic (from GM2).                                                 |
| Purity                     | 98%                                                                       |
| Form                       | Lyophilized.                                                              |
| Sequence                   | GgOse4Cer, beta-Gal-(13)-beta-GalNAc-(14)-beta-Gal-(14)-beta-Glc-(11)-Cer |
| CAS Number                 | [35960-33-9]                                                              |
| Formula                    | C56H104N2O18                                                              |
