## Product Datasheet

### RHOU Antibody, Unconjugated, Rabbit, Polyclonal AFB-DF14711

|                            |                                                                                                                              |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | RHOU Antibody, Unconjugated, Rabbit, Polyclonal                                                                              |
| Biozol Catalog Number      | AFB-DF14711                                                                                                                  |
| Supplier Catalog Number    | DF14711                                                                                                                      |
| Alternative Catalog Number | AFB-DF14711-100,AFB-DF14711-200                                                                                              |
| Manufacturer               | Affinity Biosciences                                                                                                         |
| Host                       | Rabbit                                                                                                                       |
| Category                   | Antikörper                                                                                                                   |
| Application                | ICC, IF, IHC, WB                                                                                                             |
| Species Reactivity         | Human, Mouse, Rat                                                                                                            |
| Immunogen                  | A synthesized peptide derived from human RHOU.                                                                               |
| Conjugation                | Unconjugated                                                                                                                 |
| Clonality                  | Polyclonal                                                                                                                   |
| Purity                     | The antiserum was purified by peptide affinity chromatography using SulfoLink(TM) Coupling Resin (Thermo Fisher Scientific). |
| Form                       | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                            |
| Antibody Type              | Primary Antibody                                                                                                             |
| Application Dilute         | IF/ICC 1:100-1:500,IHC 1:50-1:200,WB 1:500-1:2000                                                                            |
