### MOUSE ANTI HUMAN CLUSTERIN LIN-MAK2612

|                            |                                                         |
|----------------------------|---------------------------------------------------------|
| Article Name               | MOUSE ANTI HUMAN CLUSTERIN                              |
| Biozol Catalog Number      | LIN-MAK2612                                             |
| Supplier Catalog Number    | LIN-MAK2612                                             |
| Alternative Catalog Number | LIN-MAK2612                                             |
| Manufacturer               | Linaris                                                 |
| Host                       | Mouse                                                   |
| Category                   | Antikörper                                              |
| Application                | ELISA, FC, IH-Fr, WB                                    |
| Species Reactivity         | Human                                                   |
| Immunogen                  | Glomerular basement membrane from a post-mortem kidney. |
| Clonality                  | Monoclonal                                              |
| Concentration              | Current, batch-specific concentration 1.0 mg/ml         |
| Clone Designation          | [3R3/2]                                                 |
| Isotype                    | IgG1                                                    |
| Buffer                     | Borate buffered saline                                  |
