### RAT ANTI MOUSE CD71:FITC LIN-MAK1033F

|                            |                                              |
|----------------------------|----------------------------------------------|
| Article Name               | RAT ANTI MOUSE CD71:FITC                     |
| Biozol Catalog Number      | LIN-MAK1033F                                 |
| Supplier Catalog Number    | LIN-MAK1033F                                 |
| Alternative Catalog Number | LIN-MAK1033F                                 |
| Manufacturer               | Linaris                                      |
| Host                       | Rat                                          |
| Category                   | Antikörper                                   |
| Application                | FC                                           |
| Species Reactivity         | Mouse                                        |
| Immunogen                  | Concanavilin A activated mouse spleen cells. |
| Conjugation                | FITC                                         |
| Clonality                  | Monoclonal                                   |
| Concentration              | IgG concentration 0.1 mg/ml                  |
| Clone Designation          | [YTA74.4]                                    |
| Isotype                    | IgG2a                                        |
| Buffer                     | Phosphate buffered saline                    |
