## Product Datasheet

### **RABBIT ANTI HUMAN CASPASE-1 (C-TERMINAL)** **LIN-LAH0963**

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | RABBIT ANTI HUMAN CASPASE-1 (C-TERMINAL)                               |
| Biozol Catalog Number      | LIN-LAH0963                                                            |
| Supplier Catalog Number    | LIN-LAH0963                                                            |
| Alternative Catalog Number | LIN-LAH0963                                                            |
| Manufacturer               | Linaris                                                                |
| Host                       | Rabbit                                                                 |
| Category                   | Antikörper                                                             |
| Application                | IHC-P, WB                                                              |
| Species Reactivity         | Human                                                                  |
| Immunogen                  | A 16 amino acid peptide located near human Caspase-1 carboxy terminus. |
| Clonality                  | Polyclonal                                                             |
| Concentration              | IgG concentration 1.0 mg/ml                                            |
| Buffer                     | Phosphate buffered saline                                              |
