### MOUSE ANTI STREPTOCOCCUS A LIN-AVDF0407

|                            |                                                           |
|----------------------------|-----------------------------------------------------------|
| Article Name               | MOUSE ANTI STREPTOCOCCUS A                                |
| Biozol Catalog Number      | LIN-AVDF0407                                              |
| Supplier Catalog Number    | LIN-AVDF0407                                              |
| Alternative Catalog Number | LIN-AVDF0407                                              |
| Manufacturer               | Linaris                                                   |
| Host                       | Mouse                                                     |
| Category                   | Antikörper                                                |
| Application                | ELISA, IF, RID                                            |
| Species Reactivity         | Bacteria                                                  |
| Immunogen                  | UV inactivated Streptococcus pyogenes, group A organisms. |
| Clonality                  | Monoclonal                                                |
| Concentration              | IgG concentration 1.0 mg/ml                               |
| Clone Designation          | [HSA12-310.2 5A1]                                         |
| Isotype                    | IgG2a                                                     |
| Buffer                     | Phosphate buffered saline                                 |
