### Ras polyclonal antibody ENZ-ADI-KAP-GP001-F

|                            |                                                                |
|----------------------------|----------------------------------------------------------------|
| Article Name               | Ras polyclonal antibody                                        |
| Biozol Catalog Number      | ENZ-ADI-KAP-GP001-F                                            |
| Supplier Catalog Number    | ADI-KAP-GP001-F                                                |
| Alternative Catalog Number | ENZ-ADI-KAP-GP001-F-200                                        |
| Manufacturer               | Enzo Life Sciences                                             |
| Host                       | Rabbit                                                         |
| Category                   | Antikörper                                                     |
| Application                | WB                                                             |
| Species Reactivity         | Mouse, Rat, Human, Bovine                                      |
| Immunogen                  | Synthetic peptide corresponding to a portion of human Ras.     |
| Product Description        | Ras polyclonal antibody...                                     |
| Clonality                  | Polyclonal                                                     |
| UniProt                    | <a href="#">P01112</a>                                         |
| Source                     | Purified from rabbit serum.                                    |
| Purity                     | Protein A affinity purified.                                   |
| Form                       | Liquid. In PBS containing 50% glycerol and 0.09% sodium azide. |
| Target                     | Ras                                                            |
| Application Notes          | Detects a band of 21-23kDa by Western blot.                    |
