## Product Datasheet

### **alphaB-Crystallin (bovine), (native)** **ENZ-ADI-SPP-227-F**

|                            |                                                        |
|----------------------------|--------------------------------------------------------|
| Article Name               | alphaB-Crystallin (bovine), (native)                   |
| Biozol Catalog Number      | ENZ-ADI-SPP-227-F                                      |
| Supplier Catalog Number    | ADI-SPP-227-F                                          |
| Alternative Catalog Number | ENZ-ADI-SPP-227-F-200                                  |
| Manufacturer               | Enzo Life Sciences                                     |
| Category                   | Sonstiges                                              |
| Application                | WB                                                     |
| Product Description        | alphaB-Crystallin (bovine), (native)...                |
| Molecular Weight           | ~22kDa (observed)                                      |
| UniProt                    | <a href="#">P02510</a>                                 |
| Source                     | Isolated from bovine eye lens.                         |
| Purity                     | Purified by multi-step chromatography.                 |
| Form                       | Liquid. In PBS, pH 7.2, containing 0.09% sodium azide. |
| Target                     | Crystallin                                             |
| Application Notes          | Western blot control.                                  |
