| Alternative Catalog Number | ENZ-ADI-SPS-825-F-200                                                                                               |
| Manufacturer               | Enzo Life Sciences                                                                                                  |
| Host                       | Mouse                                                                                                               |
| Category                   | Antikörper                                                                                                          |
| Application                | IHC, WB                                                                                                             |
| Species Reactivity         | Canine, Xenopus, Sheep, Drosophila, Mouse, Rat, Monkey, Bovine, Hamster, Guinea pig, Porcine, Human, Rabbit, Gallus |
| Immunogen                  | Native human Grp75 (Mortalin).                                                                                      |
| Product Description        | Grp75/Mortalin monoclonal antibody (30A5)...                                                                        |
| Clonality                  | Monoclonal                                                                                                          |
| Clone Designation          | [30A5]                                                                                                              |
| Isotype                    | IgG1                                                                                                                |
| UniProt                    | <a href="#">P38646</a>                                                                                              |
| Source                     | Purified from mouse ascites.                                                                                        |
| Purity                     | Ammonium sulfate precipitation purified.                                                                            |

|                   |                                                                         |
|-------------------|-------------------------------------------------------------------------|
| Form              | Liquid. In PBS, pH 7.2, containing 50% glycerol and 0.09% sodium azide. |
| Target            | HSP70                                                                   |
| Application Notes | Detects a band of ~75kDa by Western blot.                               |
