| Article Name               | GroEL (E. coli) polyclonal antibody                            |
| Biozol Catalog Number      | ENZ-ADI-SPS-875-D                                              |
| Supplier Catalog Number    | ADI-SPS-875-D                                                  |
| Alternative Catalog Number | ENZ-ADI-SPS-875-D-50                                           |
| Manufacturer               | Enzo Life Sciences                                             |
| Host                       | Rabbit                                                         |
| Category                   | Antikörper                                                     |
| Application                | WB                                                             |
| Species Reactivity         | E. coli                                                        |
| Immunogen                  | E. coli GroEL.                                                 |
| Product Description        | GroEL (E. coli) polyclonal antibody...                         |
| Clonality                  | Polyclonal                                                     |
| UniProt                    | <a href="#">P0A6F5</a>                                         |
| Source                     | Purified from rabbit serum.                                    |
| Purity                     | Protein A affinity purified.                                   |
| Form                       | Liquid. In PBS containing 50% glycerol and 0.09% sodium azide. |
| Target                     | HSP60                                                          |
| Application Notes          | Detects a band of ~60kDa by Western blot.                      |
