### Syntaxin 6 monoclonal antibody (3D10) ENZ-ADI-VAM-SV025-D

|                            |                                                                |
|----------------------------|----------------------------------------------------------------|
| Article Name               | Syntaxin 6 monoclonal antibody (3D10)                          |
| Biozol Catalog Number      | ENZ-ADI-VAM-SV025-D                                            |
| Supplier Catalog Number    | ADI-VAM-SV025-D                                                |
| Alternative Catalog Number | ENZ-ADI-VAM-SV025-D-50                                         |
| Manufacturer               | Enzo Life Sciences                                             |
| Host                       | Mouse                                                          |
| Category                   | Antikörper                                                     |
| Application                | IP, WB                                                         |
| Species Reactivity         | Mouse, Rat, Human, Hamster                                     |
| Immunogen                  | Recombinant rat Syntaxin 6.                                    |
| Product Description        | Syntaxin 6 monoclonal antibody (3D10)...                       |
| Clonality                  | Monoclonal                                                     |
| Clone Designation          | [3D10]                                                         |
| Isotype                    | IgG1                                                           |
| UniProt                    | <a href="#">Q63635</a>                                         |
| Source                     | Purified from mouse ascites.                                   |
| Purity                     | Protein G affinity purified.                                   |
| Form                       | Liquid. In PBS containing 50% glycerol and 0.09% sodium azide. |

|                   |                                           |
|-------------------|-------------------------------------------|
| Target            | Syntaxin                                  |
| Application Notes | Detects a band of ~35kDa by Western blot. |
