| Article Name               | Estrogen receptor beta polyclonal antibody                                                                                                     |
| Biozol Catalog Number      | ENZ-ALX-210-178-C050                                                                                                                           |
| Supplier Catalog Number    | ALX-210-178-C050                                                                                                                               |
| Alternative Catalog Number | ENZ-ALX-210-178-C050-50                                                                                                                        |
| Manufacturer               | Enzo Life Sciences                                                                                                                             |
| Host                       | Rabbit                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                     |
| Application                | IF, IHC, WB                                                                                                                                    |
| Species Reactivity         | Rat, Human                                                                                                                                     |
| Immunogen                  | Synthetic peptide corresponding to aa 467-485 (C467CSTEDSKNKEGSQNLQSQ485) of C-terminal mouse ERbeta (estrogen receptor beta, isoform beta-6). |
| Product Description        | Estrogen receptor beta polyclonal antibody...                                                                                                  |
| Clonality                  | Polyclonal                                                                                                                                     |
| UniProt                    | <a href="#">008537</a>                                                                                                                         |
| Purity                     | Epitope-affinity purified.                                                                                                                     |
| Form                       | Liquid. In PBS containing 1mg/ml BSA and 0.05% sodium azide.                                                                                   |
| Target                     | Estrogen receptor                                                                                                                              |
| Application Notes          | Detects a band of ~55kDa by Western blot.                                                                                                      |
