## Product Datasheet

### **CD3epsilon Recombinant monoclonal antibody (145-2C11) (Mouse IgG1kappa) ENZ-ENZ-ABS426-0200**

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | CD3epsilon Recombinant monoclonal antibody (145-2C11) (Mouse IgG1kappa)    |
| Biozol Catalog Number      | ENZ-ENZ-ABS426-0200                                                        |
| Supplier Catalog Number    | ENZ-ABS426-0200                                                            |
| Alternative Catalog Number | ENZ-ENZ-ABS426-0200-200                                                    |
| Manufacturer               | Enzo Life Sciences                                                         |
| Host                       | Rabbit                                                                     |
| Category                   | Antikörper                                                                 |
| Application                | FA, FC, IP, WB                                                             |
| Species Reactivity         | Mouse, Rat                                                                 |
| Immunogen                  | H-2Kb-specific murine cytotoxic T-lymphocyte (CTL) clone.                  |
| Product Description        | CD3epsilon Recombinant monoclonal antibody (145-2C11) (Mouse IgG1kappa)... |
| Clonality                  | Monoclonal                                                                 |
| Clone Designation          | [145-2C11]                                                                 |
| UniProt                    | <a href="#">P22646</a>                                                     |
| Purity                     | Protein A affinity purified.                                               |
| Form                       | Liquid. In PBS containing 0.02% Proclin 300.                               |

|                   |                                    |
|-------------------|------------------------------------|
| Target            | CD3                                |
| Application Notes | Functional Application: Activation |
