| Article Name               | Peroxidase Antibody, Rat, Polyclonal                                                                                                               |
| Biozol Catalog Number      | ROC-100-5138                                                                                                                                       |
| Supplier Catalog Number    | 100-5138                                                                                                                                           |
| Alternative Catalog Number | ROC-100-5138                                                                                                                                       |
| Manufacturer               | Rockland Immunochemicals                                                                                                                           |
| Host                       | Rat                                                                                                                                                |
| Category                   | Antikörper                                                                                                                                         |
| Immunogen                  | Peroxidase [Horseradish]                                                                                                                           |
| Conjugation                | Unconjugated                                                                                                                                       |
| Clonality                  | Polyclonal                                                                                                                                         |
| Concentration              | 85 mg/mL by Refractometry                                                                                                                          |
| Buffer                     | 0.01 M Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                                                            |
| Form                       | Lyophilized                                                                                                                                        |
| Antibody Type              | Primary Antibody                                                                                                                                   |
| Application Dilute         | ELISA: 1:2,000 - 1:6,000, IHC: User Optimized, WB: 1:200 - 1:1,000                                                                                 |
| Application Notes          | Suitable for immunoblotting (western or dot blot), ELISA, immunoprecipitation and most immunological methods requiring high titer and specificity. |
