### Rabbit Antiserum anti-Cat IgG (F(ab)2)-unconj., MinX none ROC-102-4104

|                            |                                                           |
|----------------------------|-----------------------------------------------------------|
| Article Name               | Rabbit Antiserum anti-Cat IgG (F(ab)2)-unconj., MinX none |
| Biozol Catalog Number      | ROC-102-4104                                              |
| Supplier Catalog Number    | 102-4104                                                  |
| Alternative Catalog Number | ROC-102-4104                                              |
| Manufacturer               | Rockland Immunochemicals                                  |
| Host                       | Rabbit                                                    |
| Category                   | Antikörper                                                |
| Application                | ELISA,IHC,WB                                              |
| Species Reactivity         | Feline                                                    |
| Immunogen                  | Cat IgG F(ab)2 fragment                                   |
| Conjugation                | Unconjugated                                              |
| Format                     | Antiserum                                                 |
| Target Specificity         | IgG (F(ab')2)                                             |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                       |
| Clonality                  | Polyclonal                                                |
| Concentration              | 90 mg/mL by Refractometry                                 |
| Buffer                     | 0.01 M Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2   |
| Form                       | Lyophilized                                               |

|                    |                                                                                                                                                                               |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | Cat                                                                                                                                                                           |
| Antibody Type      | Secondary Antibody                                                                                                                                                            |
| Application Dilute | ELISA: 1:20,000 - 1:100,000, IHC: 1:1,000 - 1:5,000, WB: 1:2,000 - 1:10,000                                                                                                   |
| Application Notes  | Secondary antibody reagents are ideal for ELISA, western blotting, Immunohistochemistry, Fluorescence Microscopy, Flow Cytometry as well as other antibody detection methods. |
