## Product Datasheet

**Protein G Antibody, Rabbit, Polyclonal**  
**ROC-200-401-138S**

|                            |                                                                                                                                                                          |

| Biozol Catalog Number      | ROC-200-401-138S                                                                                                                                                         |
| Supplier Catalog Number    | 200-401-138S                                                                                                                                                             |
| Alternative Catalog Number | ROC-200-401-138S                                                                                                                                                         |
| Manufacturer               | Rockland Immunochemicals                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                                   |
| Category                   | Antikörper                                                                                                                                                               |
| Immunogen                  | Protein G [Streptococcus species]                                                                                                                                        |
| Conjugation                | Unconjugated                                                                                                                                                             |
| Clonality                  | Polyclonal                                                                                                                                                               |
| Concentration              | 1 mg/ml by UV absorbance at 280 nm                                                                                                                                       |
| Buffer                     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                                                                               |
| Form                       | Liquid (sterile filtered)                                                                                                                                                |
| Antibody Type              | Primary Antibody                                                                                                                                                         |
| Application Dilute         | ELISA: 1:20,000 - 1:100,000, Flow Cytometry: User Optimized, IHC: User Optimized, IF Microscopy: User Optimized, WB: 1:2,000 - 1:10,000                                  |
| Application Notes          | Anti-Protein G is suitable for immunomicroscopy and flow cytometry or FACS analysis as well as other antibody based fluorescent assays requiring lot-to-lot consistency. |
