### **Rabbit IgG anti-Goat IgG (H+L)-HRPO, MinX none ROC-605-403-B69**

|                            |                                                            |
|----------------------------|------------------------------------------------------------|
| Article Name               | Rabbit IgG anti-Goat IgG (H+L)-HRPO, MinX none             |
| Biozol Catalog Number      | ROC-605-403-B69                                            |
| Supplier Catalog Number    | 605-403-B69                                                |
| Alternative Catalog Number | ROC-605-403-B69                                            |
| Manufacturer               | Rockland Immunochemicals                                   |
| Host                       | Rabbit                                                     |
| Category                   | Antikörper                                                 |
| Application                | ELISA,IHC,WB                                               |
| Species Reactivity         | Goat                                                       |
| Immunogen                  | Goat IgG whole molecule                                    |
| Conjugation                | HRPO                                                       |
| Format                     | IgG                                                        |
| Target Specificity         | IgG (H+L)                                                  |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                        |
| Clonality                  | Polyclonal                                                 |
| Concentration              | 1.0 mg/mL by UV absorbance at 280 nm                       |
| Buffer                     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2 |
| Form                       | Lyophilized                                                |

|                    |                                                                                                                                                                                                                                                                |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | Goat                                                                                                                                                                                                                                                           |
| Antibody Type      | Secondary Antibody                                                                                                                                                                                                                                             |
| Application Dilute | ELISA: 1:120,000, IHC: 1:1,000 - 1:5,000, WB: 1:2,000 - 1:20,000                                                                                                                                                                                               |
| Application Notes  | Anti-Goat IgG Pre-Adsorbed Antibody Peroxidase conjugated has been tested by ELISA and is suitable for western blot or dot blot, ELISA and immunohistochemistry, immunoperoxidase electron microscopy and as well as other enzymatic assays requiring lot-to-l |
