## Product Datasheet

### **Zea mays ASR1 Recombinant Protein, E. coli PTG-PX-P1053-100**

|                            |                                                                               |
|----------------------------|-------------------------------------------------------------------------------|
| Article Name               | Zea mays ASR1 Recombinant Protein, E. coli                                    |
| Biozol Catalog Number      | PTG-PX-P1053-100                                                              |
| Supplier Catalog Number    | PX-P1053-100                                                                  |
| Alternative Catalog Number | PTG-PX-P1053-100                                                              |
| Manufacturer               | ProteoGenix                                                                   |
| Host                       | E. coli                                                                       |
| Category                   | Proteine/Peptide                                                              |
| Species Reactivity         | Plant                                                                         |
| Molecular Weight           | 42,53 kDa                                                                     |
| Tag                        | No                                                                            |
| UniProt                    | <a href="#">D1MN58</a>                                                        |
| Buffer                     | 3C-protease cleavage buffer: TrisHC 50mMl, NaCl 150mM, EDTA 1mM, DTT 1mM, pH7 |
| Expression System          | Procaryotic expression                                                        |
