| Category                   | Kits/Assays                                                                                                                                                                                                                                                   |
| Species Reactivity         | Bovine                                                                                                                                                                                                                                                        |
| Product Description        | This GENLISA Bovine Anti-Thrombin III (AT-III / AT3) ELISA includes features like: - Ready to use protocol with break-apart wells for ease of use - Standardisation and High Reproducibility - Lot to Lot Consistency - Accuracy and Precision Validated a... |
| Range                      | 15.63 - 1000 pg/ml                                                                                                                                                                                                                                            |
| Sensitivity                | 5.5 pg/ml                                                                                                                                                                                                                                                     |
| Samples                    | Serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids.                                                                                                                                                         |
