| Application                | FC, IHC, IHC-P, WB                                                                                                                                                                                               |
| Species Reactivity         | Canine, Human, Mouse, Rat                                                                                                                                                                                        |
| Immunogen                  | Full length human recombinant protein of human ACY1(NP_000657) produced in HEK293 cell.                                                                                                                          |
| Conjugation                | Unconjugated                                                                                                                                                                                                     |
| Product Description        | Aminoacylase 1 antibody LS-C173144 is an unconjugated mouse monoclonal antibody to Aminoacylase 1 (ACY1) from human. It is reactive with human, mouse, rat and other species. Validated for Flow, IHC and WB.... |
| Clonality                  | Monoclonal                                                                                                                                                                                                       |
| Concentration              | 0.28 mg/ml                                                                                                                                                                                                       |
| Clone Designation          | [OTI1B12]                                                                                                                                                                                                        |

|                    |                                                       |
|--------------------|-------------------------------------------------------|
| Isotype            | IgG1                                                  |
| NCBI               | <a href="#">95</a>                                    |
| Buffer             | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol, 1% BSA |
| Purity             | Protein A/G purified                                  |
| Form               | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol, 1% BSA |
| Application Dilute | Flo (1:100), IHC, IHC-P (1:150), WB (1:200 - 1:500)   |
| Application Notes  | Flo (1:100), IHC, IHC-P (1:150), WB (1:200 - 1:500)   |
