| Article Name               | Polyclonal Rabbit anti-Human NQO1 Antibody (aa213-274, IHC, WB) LS-C185348                                                                          |
| Biozol Catalog Number      | LS-C185348-100                                                                                                                                      |
| Supplier Catalog Number    | LS-C185348-100                                                                                                                                      |
| Alternative Catalog Number | LS-C185348-100                                                                                                                                      |
| Manufacturer               | LifeSpan Biosciences                                                                                                                                |
| Host                       | Rabbit                                                                                                                                              |
| Category                   | Antikörper                                                                                                                                          |
| Application                | ICC, IHC, IHC-P, WB                                                                                                                                 |
| Species Reactivity         | Human                                                                                                                                               |
| Immunogen                  | Carrier-protein conjugated synthetic peptide encompassing a sequence within the C-terminus region of human NQO1. The exact sequence is proprietary. |
| Conjugation                | Unconjugated                                                                                                                                        |
| Product Description        | NQO1 antibody LS-C185348 is an unconjugated rabbit polyclonal antibody to human NQO1 (aa213-274). Validated for ICC, IHC and WB....                 |
| Clonality                  | Polyclonal                                                                                                                                          |
| Concentration              | 0.87 mg/ml                                                                                                                                          |
| NCBI                       | <a href="#">1728</a>                                                                                                                                |

|                    |                                                                                                                           |
|--------------------|---------------------------------------------------------------------------------------------------------------------------|
| Buffer             | 1X PBS, pH 7, 0.025% ProClin(TM) 300, 20% Glycerol                                                                        |
| Purity             | Immunoaffinity purified                                                                                                   |
| Form               | 1X PBS, pH 7, 0.025% ProClin(TM) 300, 20% Glycerol                                                                        |
| Application Dilute | ICC (1:100 - 1:1000), IHC, IHC-P (1:100 - 1:1000), WB (1:500 - 1:3000)                                                    |
| Application Notes  | IHC-paraffin: Suggested antigen retrieval using heat mediated 10 mM Citrate buffer (pH 6.0) or Tris-EDTA buffer (pH 8.0). |
