| Application                | WB                                                                                                                                                                                         |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                          |
| Immunogen                  | Recombinant CD8b (Leu22-Pro170) expressed in E. coli.                                                                                                                                      |
| Conjugation                | APC/Cy7                                                                                                                                                                                    |
| Product Description        | CD8 Beta antibody LS-C737681 is an APC, Cy7-conjugated rabbit polyclonal antibody to CD8 Beta (CD8B) (aa22-170) from human. It is reactive with human, mouse and rat. Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                                                                                                 |
| NCBI                       | <a href="#">926</a>                                                                                                                                                                        |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                                                                              |

|                    |                                                                                        |
|--------------------|----------------------------------------------------------------------------------------|
| Purity             | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Dilute | WB                                                                                     |
| Application Notes  | WB                                                                                     |
