| Species Reactivity         | Human, Monkey                                                                                                                                                                                       |
| Immunogen                  | Full length human recombinant protein of human AK1 (NP_000467) produced in HEK293T cell.                                                                                                            |
| Conjugation                | Unconjugated                                                                                                                                                                                        |
| Product Description        | Adenylate Kinase 1 antibody LS-C784166 is an unconjugated mouse monoclonal antibody to Adenylate Kinase 1 (AK1) from human. It is reactive with human and monkey. Validated for Flow, IF and WB.... |
| Clonality                  | Monoclonal                                                                                                                                                                                          |
| Clone Designation          | [OTI19D1]                                                                                                                                                                                           |
| Isotype                    | IgG2b                                                                                                                                                                                               |

|                    |                                              |
|--------------------|----------------------------------------------|
| NCBI               | <a href="#">203</a>                          |
| Buffer             | PBS, pH 7.3, 8% Trehalose                    |
| Purity             | Purified from ascites.                       |
| Form               | PBS, pH 7.3, 8% Trehalose                    |
| Application Dilute | Flo (1:100), IF (1:50), WB (1:1000 - 1:2000) |
| Application Notes  | Applications should be user optimized.       |
