| Manufacturer               | LifeSpan Biosciences                                                                                                                |
| Host                       | Mouse                                                                                                                               |
| Category                   | Antikörper                                                                                                                          |
| Application                | FC, IHC, IP, WB                                                                                                                     |
| Species Reactivity         | Human                                                                                                                               |
| Immunogen                  | Full-length protein expressed in 293T cell transfected with human NRBP1 expression vector.                                          |
| Conjugation                | Unconjugated                                                                                                                        |
| Product Description        | NRBP antibody LS-C784272 is an unconjugated mouse monoclonal antibody to human NRBP (NRBP1). Validated for Flow, IHC, IP and WB.... |
| Clonality                  | Monoclonal                                                                                                                          |
| Clone Designation          | [OTI2A5]                                                                                                                            |
| Isotype                    | IgG2a                                                                                                                               |

|                    |                                                    |
|--------------------|----------------------------------------------------|
| NCBI               | <a href="#">29959</a>                              |
| Buffer             | PBS, pH 7.3, 8% Trehalose                          |
| Purity             | Purified from ascites.                             |
| Form               | PBS, pH 7.3, 8% Trehalose                          |
| Application Dilute | Flo (1:100), IHC (1:50), IP (4 µg/ml), WB (1:2000) |
| Application Notes  | Applications should be user optimized.             |
