| Alternative Catalog Number | LS-G132760-100                                                                                                                                                                                               |
| Manufacturer               | LifeSpan Biosciences                                                                                                                                                                                         |
| Category                   | Proteine/Peptide                                                                                                                                                                                             |
| Product Description        | FGF23 (Fibroblast growth factor 23) is a member of the fibroblast growth factor family, which possess broad mitogenic and cell survival activities and are involved in a variety of biological processes.... |
| Molecular Weight           | 29kDa                                                                                                                                                                                                        |
| Tag                        | His, N-Terminal                                                                                                                                                                                              |
| NCBI                       | <a href="#">8074</a>                                                                                                                                                                                         |
| Source                     | E. coli                                                                                                                                                                                                      |
| Purity                     | Greater than 90%                                                                                                                                                                                             |
| Form                       | Lyophilized from 20mM Tris, 150mM NaCl, pH8.0, 1mM EDTA, 1mM DTT, 0.01% SKL, 5% Trehalose, Proclin300.                                                                                                       |
