| Article Name               | Mouse IFN Gamma / Interferon Gamma Protein (Recombinant His, N-Terminal) - LS-G132781                                                   |
| Biozol Catalog Number      | LS-G132781-100                                                                                                                          |
| Supplier Catalog Number    | LS-G132781-100                                                                                                                          |
| Alternative Catalog Number | LS-G132781-100                                                                                                                          |
| Manufacturer               | LifeSpan Biosciences                                                                                                                    |
| Category                   | Proteine/Peptide                                                                                                                        |
| Product Description        | IFN-Gamma is an important activator of macrophages, it promotes production of inducible Nitric Oxide Synthase (iNOS) in macrophages.... |
| Molecular Weight           | 17kDa                                                                                                                                   |
| Tag                        | His, N-Terminal                                                                                                                         |
| NCBI                       | <a href="#">3458</a>                                                                                                                    |
| Source                     | E. coli                                                                                                                                 |
| Purity                     | Greater than 95%                                                                                                                        |
| Form                       | Lyophilized from 20mM Tris, 150mM NaCl, pH8.0, 1mM EDTA, 1mM DTT, 0.01% SKL, 5% Trehalose, Proclin300.                                  |
