| Article Name               | Human IL25 / IL17E Protein (Recombinant His, N-Terminal) - LS-G132798                                                        |
| Biozol Catalog Number      | LS-G132798-50                                                                                                                |
| Supplier Catalog Number    | LS-G132798-50                                                                                                                |
| Alternative Catalog Number | LS-G132798-50                                                                                                                |
| Manufacturer               | LifeSpan Biosciences                                                                                                         |
| Category                   | Proteine/Peptide                                                                                                             |
| Product Description        | IL25 (Interleukin-25), also known as IL17E, is reported to induce NF-KB activation, and stimulate the production of IL-8.... |
| Molecular Weight           | 21kDa                                                                                                                        |
| Tag                        | His, N-Terminal                                                                                                              |
| NCBI                       | <a href="#">64806</a>                                                                                                        |
| Source                     | E. coli                                                                                                                      |
| Purity                     | Greater than 97%                                                                                                             |
| Form                       | Lyophilized from 20mM Tris, 150mM NaCl, pH8.0, 1mM EDTA, 1mM DTT, 0.01% SKL, 5% Trehalose, Proclin300.                       |
