| Alternative Catalog Number | LS-G132811-500                                                                                                                                                                                                  |
| Manufacturer               | LifeSpan Biosciences                                                                                                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                                                                                                                |
| Product Description        | Interleukin-6 (IL-6), a pro-inflammatory cytokine and an anti-inflammatory myokine, plays important roles in the acute phase reaction, inflammation, hematopoiesis, bone metabolism, and cancer progression.... |
| Molecular Weight           | 47kDa                                                                                                                                                                                                           |
| Tag                        | His-GST, N-terminus                                                                                                                                                                                             |
| NCBI                       | <a href="#">3569</a>                                                                                                                                                                                            |
| Source                     | E. coli                                                                                                                                                                                                         |
| Purity                     | Greater than 95%                                                                                                                                                                                                |
| Form                       | Lyophilized from 20mM Tris, 150mM NaCl, pH8.0, 1mM EDTA, 1mM DTT, 0.01% SKL, 5% Trehalose, Proclin300.                                                                                                          |
