## Product Datasheet

### **Mouse anti-Hu TROP2 Purified, clone TrMab-6 (Monoclonal), Clone: [TrMab-6] MON23273**

|                            |                                                                               |
|----------------------------|-------------------------------------------------------------------------------|
| Article Name               | Mouse anti-Hu TROP2 Purified, clone TrMab-6 (Monoclonal), Clone:<br>[TrMab-6] |
| Biozol Catalog Number      | MON23273                                                                      |
| Supplier Catalog Number    | MON23273                                                                      |
| Alternative Catalog Number | MON23273                                                                      |
| Manufacturer               | Monosan                                                                       |
| Host                       | Mouse                                                                         |
| Category                   | Antikörper                                                                    |
| Application                | FC, ICC, IHC, WB                                                              |
| Species Reactivity         | Human, Porcine                                                                |
| Immunogen                  | TROP2-transfected CHO cells                                                   |
| Clonality                  | Monoclonal                                                                    |
| Concentration              | 1 mg/ml                                                                       |
| Clone Designation          | [TrMab-6]                                                                     |
| Buffer                     | Phosphate buffered saline (PBS), pH 7.4, 15 mM sodium azide                   |
| Form                       | Purified by protein-A affinity chromatography.                                |
