## Product Datasheet

### Mouse anti-Ki-67 Purified, clone Ki-67 (Monoclonal), IgG1, Clone: [Ki-67] MON23276

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | Mouse anti-Ki-67 Purified, clone Ki-67 (Monoclonal), IgG1, Clone: [Ki-67] |
| Biozol Catalog Number      | MON23276                                                                  |
| Supplier Catalog Number    | MON23276                                                                  |
| Alternative Catalog Number | MON23276                                                                  |
| Manufacturer               | Monosan                                                                   |
| Host                       | Mouse                                                                     |
| Category                   | Antikörper                                                                |
| Application                | FC, ICC, IHC, WB                                                          |
| Species Reactivity         | Bovine, Human                                                             |
| Immunogen                  | Nuclei of the Hodgkin lymphoma cell line L428                             |
| Clonality                  | Monoclonal                                                                |
| Concentration              | 1 mg/ml                                                                   |
| Clone Designation          | [Ki-67]                                                                   |
| Isotype                    | IgG1                                                                      |
| Buffer                     | Phosphate buffered saline (PBS), pH 7.4, 15 mM sodium azide               |
| Form                       | Purified by protein-A affinity chromatography.                            |
